

# Glasgow Devils 10K Run

## About the club

Founded in October 2016 Glasgow Devils Basketball Club enjoys rapid growth of membership in senior section and number of achievements in just under 3 years of its existence. We have been named Club of The Year 2018 by Sports Council for Glasgow and this year team secured 3rd place in the table. We are also The SLBA Executive Cup winners this year

## Why we fundraise?

Glasgow Devils hopes to enter second team into the league from next season as a result of rapid increase in membership and compete at national level. In order to do that we need to qualify more officials and purchase more equipment such as team strips and shot clocks. Thank you for your support in development of our club.
